

# SIGMA KAPPA

*Live with Heart*

**Theta Omicron • Arizona State University**

## From the VPAR

Hello, sisters!

Taking over as VPAR this year has been an absolute honor. 2018 has already been an incredible year for Theta Omicron! We began the semester with our Executive Council traveling to Los Angeles for the Regional Leadership Conference. There, our leaders got to meet other chapters' executive councils, learn how to make the most out of our positions, and set goals for our chapter to maximize its success.

Following our return, Vice President of Membership, Lexi Ignelzi, got straight to work on Spring Recruitment. After two incredible rounds of conversation, we gained a wonderful new member class. The rest of the semester has been filled with fun. From meeting new sisters to participating in philanthropies, we have certainly kept ourselves busy!

I am looking forward to a relaxing summer and I can't wait for an eventful fall!

Sigma's Love and Mine,  
Christine Lockhart

## From the VPNME

"Good Morning, San Francisco!"

Our house got "Fuller" on January 21st! Our 90's Full House themed Bid Day for Spring this year took place at Adelphi and we accepted 17 new members to our chapter. We went all out for this bid day with plastic chokers, scrunchies, SK fanny packs and slap bracelets. The new members were so excited to join our mystic bond. We had fun activities including a signature game and even freeze dance to keep with the 90's theme.

This semester, my team and I focused on creating opportunities to bond the Spring 2018 class closer together. One event, we took the new members to the Phoenix Zoo with our national leadership consultant, Paige Cook. All of these special events for the new members focused on sisterhood and creating those lifelong friendships!

LISK!

## Sigma Kappa Goes Disney!

When Sisterhood chairwoman, Casey Merrill and VP of Programming, Adin Tarr, got together to plan Spring 2018 Sisterhood retreat, they took our sisters back to our elementary days with a Disney Channel Games themed day at the park!

At retreat we made cheers, played games, and participated in bonding activities with our teams. We talked about what we look for in our future leaders while making new connections with our sisters. The day was magical!

## Service and Philanthropy!

Sigma Kappa stayed active this semester participating in multiple service and philanthropy events. In February, we teamed up with sorority, Alpha Chi Omega and wrote Valentines to the Friendship Village, a senior living community in Tempe. Our sisters also volunteered at Feed My Starving Children with fraternity, Theta Xi. Our sisters are always looking for ways to live out our value of service.

Theta Omicron hosted the second annual Sig Kap and Cheese night, where we raised \$5,675 for our philanthropies. The night was an incredible success and a ton of fun!

## Upcoming Events

Ultraviolet Campaign  
October 15-19

Homecoming Open House  
Greek Leadership Village  
November 1

Walk to End Alzheimer's  
November 3

Initiation/Founder's Day  
Celebration  
November 4

Order of the Triangle  
November 26
