# DELTA GAMMA

## ATLANTA ALUMNAE CHAPTER

Doing Good in Atlanta since 1954 #ReflectingOnSisterhood

### *President's Letter*

I have never been more proud to be a Delta Gamma living in Atlanta than I am now! Last year was a record-breaking, award-winning year for our chapter and we couldn't have accomplished all that we did without each of you! We are the current Outstanding Alumnae Chapter for Atlanta Panhellenic and Delta Gamma Region 3! We saw an increase in all of our numbers – dues paid members, service hours, box tops, sponsor forms, monetary donations, event attendance, and more.

Building off the theme from 2018 Convention, our chapter will **reflect on our sisterhood** by honoring our **past**, celebrating our **present**, and paving the way for our **future**. Throughout the year, we will share our chapter history and stories of the women and the events that have made us who we are. We will celebrate our current accomplishments and continue our programming, giving, and initiatives that awarded us recent recognition. We will pave the way for our future by supporting our collegiate chapters with a scholarship fund, launching our young alum special interest group, and investing in technology. We hope you take part by sharing your past and present Delta Gamma stories with us throughout the year. More details on our events, initiatives, and ways you can get involved can be found in this newsletter.

Our alumnae chapter spans multiple generations, dozens of collegiate chapters, and many cities all over the metro-Atlanta area. Don't know any Delta Gammas in Atlanta? Please join us, as many of our active members started out not knowing anyone either. Previously involved? We are always here when you are ready. Actively involved with our chapter but know many sisters that aren't? Invite them to join you! There are many ways to support our chapter, and I hope you find a way that is convenient for you.

In the bonds,

Lauren Pointer
