Live with Heart

Zeta Alpha • Indiana University Southeast

It has been a wonderful summer for our Zeta Alpha sisters, and we hope it was amazing for you as well.

First, we would like to extend a huge thank you to those alumnae who attended our mock recruitment on Sunday, July 29th. We appreciate you taking time out of your busy schedules to help us improve our recruiting skills and gain much needed advice from experienced sisters.

Zeta Alpha is preparing tirelessly for recruitment. Our chapter has been working extremely hard to grow our recruiting skills. We are forever grateful for our fearless Vice President of Membership Miranda Morris and her advisor Meredith Gunn. They have both worked very diligently in order for our chapter to have the most successful recruitment possible. We hope to welcome as many new members as possible, to let more women experienced the mystic bond that we all hold so dear.

I would also like to share our plans for each night of recruitment!

On night one our women will be wearing coral and gold stitched lettered shirts with jeans and brown sandals.

Night two will be more formal with lavender dresses and nude shoes.

Our final night is our traditional preference round attire of black dresses and shoes with pearl jewelry. We will also conclude recruitment with a "Saved by the Bid" bid day celebration!

Recruitment Wish List

- Black and white 90" round table cloths
- 3-gallon drink dispenser
- foil balloon weights
- Balloons (both foil and classic)

All of these items and others are included in the following link. We appreciate any contributions that you can make. Thank you in advance!

Throw Back!

We at Zeta Alpha love to look back at the generations of women before us. It is unbelievable to see how our chapter has grown in its 45 years on campus, and it is so exciting to see how the mystic bond still unites us all. The two accompanying photos were sent in by Pamela Striegel (above) and Hannah Underwood (right). Sister Striegel's photo depicts Zeta Alpha 4 years after its inception. Sister Underwood's photo shows some sisterly bonding on the riverfront in 2013. Special thank you to all the ladies who sent in photos for this section!
