## Eta Zeta: A Chapter Update

We have had a jam-packed quarter this chilly spring season filled with philanthropy events, formal, sisterhoods, and more!

Our first activity this spring, Initiation, welcomed our winter COB sisters into Delta Gamma. We are happy to announce our chapter's growth and shifting families as we continue to bring wonderful women into our sorority.

Spring events started off strong with Founder's Day at Ida Noyes' Cloisters Club alongside our sisters at DePaul and our Chicago-based alumnae!

Amongst the sisterhoods we enjoyed this quarter, DGs participated in many UChicago-sponsored events including the 2<sup>nd</sup> and 3<sup>rd</sup> year formals at the Alder Planetarium and Shedd Aquarium respectively.

Isabel, Gaby F., Kimmy, Ally A., Alex & Rachel at 3<sup>rd</sup> year formal

This quarter we bonded more with our sisters in other sororities, enjoying a joint sisterhood with Pi Beta Phi at Cava, a Panhellenic picnic on the quad, watching philanthropy events with Pi Phi's Arrowfest and Alpha Omicron Pi's Fratellorette, and the annual IF sing competition including all Greek Organizations on campus.

Our year would not have been complete without spring formal at Azul Rooftop and the party buses we took to get there! The cold weather was not enough to stop our chapter from enjoying the Chicago Skyline and the great views Azul had to offer.

We also participated in IF sing and are proud to say we took home the Quality Cup for the Best Sorority! We had alumnae in attendance pictured below, alongside some images from the competition.

## Anchor Slam

Anchor Slam was a great time and, of course, a big success! It was held at the Henry Crown Fieldhouse and had a lineup of 18 teams! The event was sponsored by Storm Energy Drinks, giving us the energy to put on the event and even more for our champs! We saw members from across the UChicago community come together to support Service for Sight!

## Bake Sale

Unlike previous years, our Director of Anchor Slam Ally K and VP Foundation Rachel W decided to bring back the bake sale with Stan's Donuts to help raise even more for our event! Stan's Donuts were a hit with UChicago and gave us the opportunity to spread the word on Anchor Slam and recruit even more teams.

## Sisterhoods

DGs were out and about this quarter! From a Cubs game in May to cookie making on campus, running up and down Lakeshore Drive, and cleaning up the Midway, we had an active quarter this spring!

Some other group favorites include pole dancing, karaoke, and our fellow sororities' philanthropy events!

We hosted a night downtown for our graduating seniors, aptly named our Big/Little Bachelorette Night Out, costumes encouraged!

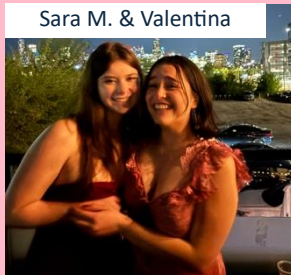

## Formal

Formal was at Azul Rooftop and DGs had a record-good time dancing on the party buses on the way there, and dancing into the night once we arrived!

## Merch

Yenna C. organized our chapter merch this quarter, styled below by Litzy T. and Yenna! Yenna worked with MitchFlippoMfg to design out custom Eta Zeta - UChicago Delta Gamma hoodie and short sweat-set. We owe Yenna a huge 'thank you' for taking it upon herself to get the job done!

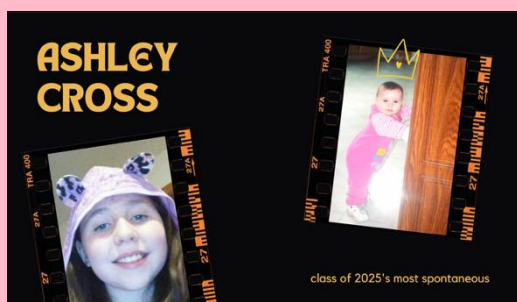

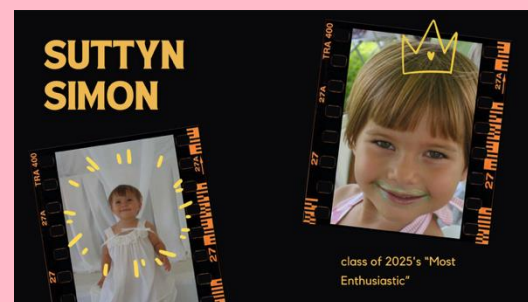

## Senior Spotlights

We celebrated our graduating seniors throughout the quarter through senior spotlight presentations during chapter. Organized by Lulu B., we loved looking at old photos of our seniors as kids, first years, and now as graduating fourth years with their friends and family. We will not forget their heartfelt speeches filled with advice for current DGs, and the tearful goodbyes shared by bigs and littles as they recounted their best moments, favorite memories, and hundreds of stories from DG. Some pictures from senior spotlights are shared below!

Ally will be working in assent management in Chicago and Paige is entering her gap year doing research at UChicago before med school!

Raquel is doing clinical research before med school, and Suttyn is getting her Master in Management at Booth!

Anika is off to San Juan to teach a fellowship and Ashley will be working at AlphaSights in NYC!

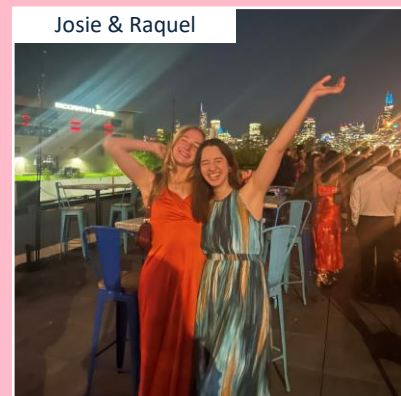

## Alumna Connect!

We would love to connect with you all more! If you are interested in meeting with some of our amazing women or our chapter to discuss anything from post grad life, career insights, or even just chat please reach out to [dghzpres@gmail.com](mailto:dghzpres@gmail.com). As always, we would love to share any opportunities, events, or announcements from alumnae with the current chapter. Please email [dbmoser@uchicago.edu](mailto:dbmoser@uchicago.edu) to send in any messages for our returning sisters or other alumnae!

## Graduation & Summer

While we are sad to see our graduating seniors go, we are ecstatic to wish them luck in their future endeavors across the globe! With summer starting, watch out for our upcoming summer newsletter to keep everyone in-the-know on our DG's wonderful summer jobs and plans. Another year down at UChicago is an accomplishment for all of our sisters, especially our graduates! Also, a special thank you to Ally K. who started the Newsletter during her presidency!

## Mutual Aid for Dues Hardship - Seeking Your Support

Thank you so much for all the generous donations! Through your support we have been able to help assist two members of our sisterhood for whom membership would not have been possible. At this point, the fund is almost completely utilized. As we continue to grow and welcome more members, we are seeking additional support to ensure we can extend the opportunities to other women.

Eta Zeta is committed to welcoming women from all backgrounds and identities who are committed to friendship and doing good. This includes prioritizing a chapter membership that is diverse, inclusive, and accessible on all fronts. Inspired by the Zeta Theta chapter at Columbia, we are launching a formal fund via GoFundMe that allows assistance to go directly to members in need who are facing the possibility of terminating their membership in Delta Gamma. Delta Gamma Foundation initiatives like Sisters Helping Sisters (need-based scholarships) are vital and important, but they cannot be used towards chapters dues. Honor Board and the chapter's finance team can take steps to temporarily reduce dues hardship, but there is currently no way to provide mutual aid to those who need funds immediately. We would like to be that mutual aid.
