

THE KAPPA CONNECTION

Dearest parents & alumni,

Through the misery and cold weather of winter term, we were blessed to enjoy more sunshine than we expected and our sisters had a great term together. This term consisted of welcoming our new Chapter Council, dancing away at Sapphire Formal, and watching our friends compete in our annual Kappa Dodgeball tournament. We were also grateful to have several fun sisterhoods such as Kappa Valentines day and an all house Cops & Robbers game. This term was filled with great memories and fun times together and we look forward to a sunny spring term!

Enjoy!
