

# THE KAPPA CONNECTION

Dearest parents & alumni,

Happy Fall! We are finally back in Eugene after a long 3 months of summer. We are eagerly preparing for recruitment to welcome home the new 2019 Member class.

Our summers were filled with travel, internships, volunteering, and more travel but we could not be happier to be back in Eugene with our people! I have attached a few pictures of what some of our members got up to this summer.

Enjoy!
