Looking ahead: Fall 2018

This next semester has a lot of ways for you to get reconnected with the Gamma Gamma chapter! We will be having formal recruitment in September with a lot of Recruitment practices leading up, so if you are in the area and can help during recruitment or during practices we could use the help! We will be raising money for the huge Walk to End Alzheimer's in Indianapolis; we would love some Alumnae to walk with us! Indiana State's annual Homecoming week, Tent City event, and Homecoming game will all take place the week of October 13th-20th. As expected, we will be hosting a tent and would love to see you all come back for some sisters and football! We will end the semester with a Founder's Day celebration. We are in the planning of doing a combined celebration with the IUPUI chapter here in Terre Haute. Invitations and more details will be given closer to time!

As Always, if you have any questions, ideas, or need any help reconnecting with your Sigma Kappa family please don't hesitate to call me!

Dance Marathon

On April 7th, 33 of our sisters stood for 12 hours and helped Indiana State University raise over \$200,000 for the Kids! We want to give many thanks to all of our Alumni that helped by donating, encouraging, and supporting us throughout the marathon. We are all also very proud to point out that one of our own seniors, Lauren Ladow, was serving as the Dance Marathon President. That day we were able to see all of her hard work pay off and we could not be any more proud of her.

Derby Days

Two of our sisters, Maren Milbourn and Ashley Rose, participated in Sigma Chi's Derby Days during the first week of April. This is a full week of fundraising and events that lead up to the huge pageant. For this week, two sisters are chosen to compete with other chosen Panhellenic sisters to raise the most money for The John Huntsman Cancer Foundation. This year the events included a brother auction, a kickball tournament, a comedy show, and then ended with their annual pageant, in which Ashley and Maren placed 3rd and 4th! Sigma Kappa overall raised \$1,720 for The John Huntsman Cancer Foundation.

Wrapping up the Semester with 2 Philanthropy Events!

We showed what it truly meant to inherit the Earth during a weeklong recycling competition between all sororities. We gave each sorority a clear bin that was then taken and decorated in a way that they felt best represented them. Every day for a total of five days, we sat in the commons and collected all recyclable materials that were donated. At the end of the week we awarded Zeta Nu Delta the overall winner. This is a NPHC sorority that was added to our community a little less than a month ago. They were thrilled to win a pizza party at their next chapter!

UV Softball

On Friday, April 27th Sigma Kappa held their annual UV softball tournament! This event is opened to all fraternities, who will then put together their own team of 10 members to play in a double elimination softball tournament. This event is always a large turn out and we were thrilled to see it be a huge success for yet another year!

The money raised for UV softball goes to the Sigma Kappa Foundation, which is a foundation that is donated to fellow sisters that are in need whether that is because of a natural disaster, family emergency or anything else that may affect one of our sisters nationally. This year our winners were the men of Phi Kappa Alpha!

Spring Week

For Spring Week 2018, our chapter was paired with the men of Tau Kappa Epsilon and Phi Kappa Phi. Overall, we placed 5th. We won 4th place in Spring Sing, 3rd place in the Tri-Athlon, and won 6th place in the annual Tandem Race. After such a great Spring Week, we are very excited for Fall Homecoming, which is scheduled for Saturday October 13th. We are looking forward to being paired with the men of Theta Chi for the events next semester.

Newest Alumna!

On April 29th we held our Order of the Triangle sending 15 smart, beautiful, and talented seniors on their way. Before the Order of the Triangle took place, the seniors joined the members of the Alumnae Chapter with a dessert reception. The reception was held to celebrate and encourage them to stay involved with Sigma Kappa even after their active days are over. These women have left a strong legacy to be proud of and we are so sad to see them go. We want to thank them all for their hard work these past four years and want to wish them the best as they accomplish many of their future endeavors and take on the responsibilities of the "adult" world.
