

To my Zeta Sisters,

It is about to be Spring, and that means it's time to vote on a new slate of officers. Please make sure you review the slate, which was sent out last week via email and is also printed again here in the newsletter. Be prepared to vote at our joint meeting in March. I'd like to thank the nominating committee; Lauren Evenson – Committee Chairman, Marcy Cann, Sherry St. Aubin, Angela Kelly, and Mayllyn Harper for all their hard work on this task; it is never an easy job. For those of you that have never participated in the nominating process, please trust me when I tell you, it is a job that we should all heap many thanks on those that take it on. Thanks Ladies for a job well done!

We had a great Zeta Day on the 24th and 25th of February, hosted by the Nasa-Brazoria County Alumnae group. The event was held at NASA Space Center and the venue was great fun. The Houston Association hosted the Friday night dinner at the Red River Bar-B-Q and we had 70 Zeta sisters attend. With so many sisters in one location, there were a lot of opportunities to meet Zetas from all over the state. In total, the Houston Alumnae Association had 25 people attend and we had lots of fun! Special congratulations go out to Jennifer Major, who received the Zeta Lady award for her tremendous efforts related to upgrading our communications and technology. Each of the alumnae chapters can select someone for this honor but only one is announced at the luncheon and Jennifer was recognized in front of the whole group. Also, our very own Kelley Brege was given the Lone Star Award. This award is given to an alumna that has provided 15 or more years of service to the Fraternity and has distinguished herself in the chapter. Congrats Kelley!!!

In addition to voting on our new officers, we have a terrific month of activities planned. We have our joint day and night meeting planned at Kendra Scott, YAPS, Book Club, HAPA Recruitment Roundtable and Ladies Dine Out all happening in March. Look forward to seeing everyone.

Zeta Love,
Kim Clarke
President of HAA
