

To my ZTA Sisters,

First and foremost, thank you for giving me the opportunity to serve as the ZTA Houston Alumnae Association President. I am extremely excited to take on such a prestigious role. While I am well aware that I have some big shoes to fill, the 2017-2018 Board Members and I are already working hard at goals to make this year successful!

Personally, I love how ZTA HAA can serve as a nice getaway from the day-to-day and give sisters, of all ages and walks of life, the opportunity to connect. Through ZTA, I have been blessed with friendships that I know will last a lifetime. The bond of sisterhood as an alumnae is truly special, as we are a part of different life events; new jobs, homes, heartbreaks, loves, births (legacys-fingers crossed!) and everything in between. The one thing that keeps us connected, is our beloved ZTA.

Just like Houston, our ZTA sisterhood is full of diverse interests and talents. One of my favorite things about the Alumnae world is that it offers so many exciting opportunities for our members. I'd like to challenge everyone to join our sisters at one of the Crown Connections such as YAPS, Supper Club, Book Club, or Theater Club.

Zeta Love and Mine,
Mayllyn Luz Harper

Favorite ZTA Event: Any Ritual Service; I think it is amazing the rituals have been a part of our Fraternity for so many years. Our Founders emphasized leadership, service, personal growth and sisterhood. I believe it is very important to continue to value those traditions
