

NEWPORT-SOUTH COAST ALUMNAE CHAPTER

Delta Gamma

GREETINGS FROM PRESIDENT ALISA REICH

Alisa Reich, Delta Phi, University of California Irvine is Newport-South Coast's new president! In her spare time, she loves to go to the beach, golfing, pilates and enjoys traveling. A recent trip to London was her favorite trip! In her professional life, Director Alisa Reich manages the UCI Police Department's Administrative Division.

Alisa fosters high Delta Gamma ideals and we are fortunate to have her volunteer as president. She first joined NSC's Board as Collumnae Chair shortly after graduating from UCI. Since then, she has served as an adviser to the Delta Phi Chapter of UCI and also served on the House Corp. Board for Delta Phi. Alisa was the recipient of Delta Gamma's Hope Award in 2022. Welcome aboard!

Alisa's message to you:

Our founder Anna Boyd Ellington shared at initiation, "nothing good or great has ever been achieved without toil and attention." As your NSC alumnae chapter's new President, I promise to dedicate my attention to supporting our chapter, helping continue to grow the chapter, and helping to create lasting memories over the next two years. We have an inspiring, strong, and kind group and I am so grateful to have joined NSC at such a young age. Each of you have provided me with tremendous support, friendship, and best of all, lots of fun! I look forward to having more fun over the new two years.

HERITAGE CORNER

culture, values, traditions

Delta Gamma Heritage Rose

In the late 1970s, we had an official rose named Delta Gamma. Although this was our rose for decades, as of summer 2021, any living roses could not be found — so Delta Gamma registered a new name and heartier rose to be our official cream-colored rose as a way to commemorate our 150-year celebration! It is an antique-style garden rose that will begin DG pink and turn cream rose as it blooms.

FOUNDATION

Helen Thies, VP Foundation (714) 356-5670, presents some thoughts for this year of doing good:

"May the links that form this chain be kind words and noble deeds."

-ANCHORA, Volume I, No. 1, April 1884

Gathering inspiration from our rich heritage roots, we dedicate our Foundation efforts in 2023-2024 to kind words and noble deeds.

Watch for opportunities by MemberPlanet, Facebook and Instagram. Keep us posted on your volunteer activities and any Service for Sight. We proudly relay the efforts of our members every November and May to Delta Gamma. Tell us about how you live your life as part of The Do Good Sisterhood - we want to know!

Delta Gamma celebrates its 10th annual Do Good Week September 3 - 9, 2023, putting more good into the world through acts of kindness, big or small. Ready to join in? Here's a few ways:

- Be My Eyes - a free mobile app to make the world more accessible for blind and low-vision people. Connects you by live video to someone who needs a little assistance to solve an everyday task - at your convenience. Check it out at <https://www.bemyeyes.com>.*
- Donate used books for The Free Library at Segerstrom Center for the Arts. SIG Book Club is collecting books all year & giving the gift of reading with a sight preservation tip bookmark.*
- Write a note to a 50 year+ anniversary milestone celebrant or Golden Anchor Member - year long campaign.*
- Make a Cream Rose Tribute or give a gift to Delta Gamma Foundation.*
- Be kind to your neighbor, do a favor, make a change to help the environment, donate used clothing to a worthy cause, spend a few extra moments with someone who is lonely, make a new friend, call a friend or family member who has been on your mind, forgive something or someone, give a compliment, go out of your way, smile.*
