

President's Message:

Hi Sisters!

I hope this message finds each of you well. To the Officers of 2022-2023, thank you for your time, dedication, and all of your efforts - we did some REALLY big and fun things this term. Writing our awards applications this year had me reflecting on how well-rounded alumnae we truly are. Congratulations on each of your successes this year.

To our incoming 2023-2024 Officers, I would like to extend my congratulations and excitement for what is coming this term. Additionally, I would like to thank you for stepping up and offering your time and services. You will be under great leadership with Heather and I'm looking forward to what is on the horizon.

To the entire body of HAA, it has been a privilege serving as your President. With that said, I leave you with my final reminder - be sure to tune in for our last set of general meetings which will take place on Tuesday, April 11th with our Day and Night gatherings (see Evites). I, unfortunately, will not be in attendance but will be sending my Zeta Love from Italy!!

Zeta Love,

Courtney Scaggs

ZTAF: Alumnae EC Title Updates

In review of the current alumnae chapter Executive Committee position titles, National Council made the decision to update the titles of two positions. This decision ensures position titles better match an officer's duties and responsibilities and aids in the recruitment of alumnae chapter officers. Additionally, it allows for a clearer understanding of when volunteer experience is included on a resume.

Starting this election cycle (spring 2023), the following Executive Committee titles are changing.

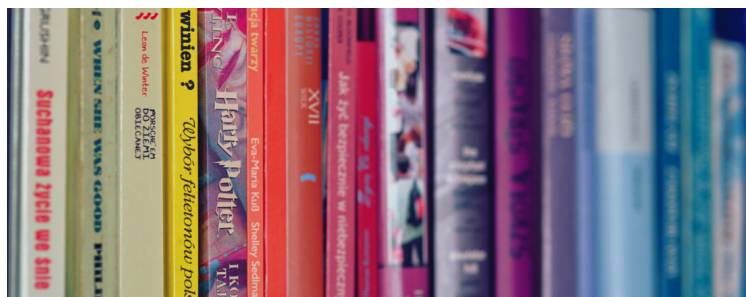

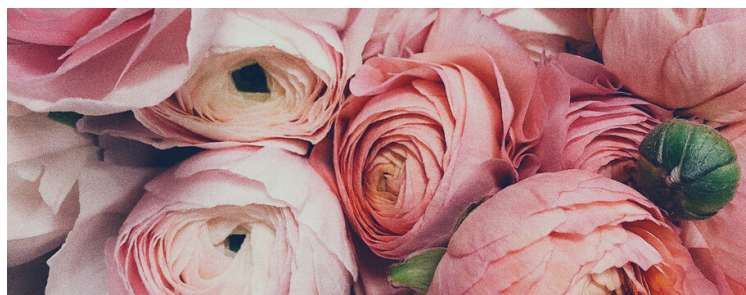

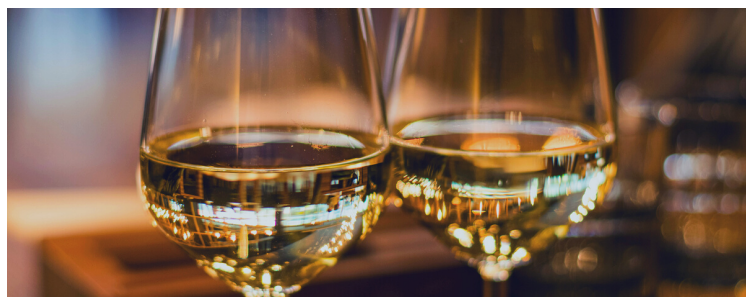

- Treasurer to become VP Finance
- Secretary and Historian combine to become VP Communication
 - Co-VP Communication will be an option

In addition, the Roman numerals will be removed from the existing Vice President titles.

It will remain that a minimum of five officers are required for alumnae chapters. Those will be President, VP Programming, VP Membership, VP Finance, and VP Communication. Positions like Panhellenic Delegate and VP Philanthropy will remain optional for EC.

This new resource outlining the alumnae Executive Committee structure is now available on Z-Learning; [here](#).
