Anchoring the Future

Delta Gamma has stood the test of time and is one of the finest women's organizations in North America. Eva, Anna and Mary's "little club of mutual helpfulness" has grown into a strong network of compassionate, driven, and authentic women determined to make the world better place. Delta Gamma women empower each other to serve and lead, to learn and grow, and to develop the best qualities of their character.

In celebration of the Sesquicentennial Biennium, the Delta Gamma Foundation, in partnership with the Fraternity, embarked on a campaign to ensure the future success of our sisterhood: Anchoring the Future: The Campaign for Delta Gamma is for all alumnae and collegiate members of Delta Gamma. This campaign's goal is to provide a lasting foundation to build upon the ideals and values we cherish by committing to four Campaign Pillars:

- Training and Programming
- Individual Member Support
- Heartfelt Giving and Philanthropy
- Capital Initiatives

As the Boston Alumnae Chapter, we are excited to celebrate the 150 Years of Delta Gamma and this new campaign.

BAC Yearly Dues

Do Good. Our fraternity motto and mission. The most meaningful way you can ensure that not only Delta Gamma Fraternity, but also the Boston Area Alumnae Chapter continues to share our mission and values to our communities is through your unwavering support.

If you have any questions, comments, or concerns, please don't hesitate to reach out to Rebecca at finance.dgbac@gmail.com or Cass at president.dgbac@gmail.com.
