## SUMMER BREAK IS FINALLY HERE!

As we wrapped up the school year, we welcome summer break with open arms! Goodbye "all nighter" study sessions with your sisters in Hollenback. Goodbye exams and 15 page essays. Goodbye campus jobs and our 5 extra curricular activities we got over involved in, because at Witt you join every sport and club of your desire. These are the easy goodbyes. The hard goodbyes were the ones to our now alumnae sisters. How bittersweet to watch them receive their diplomas they worked so hard for. To watch their face fill with joy as they approached the seal, and to hear their laughter after they stomped the seal. The Gamma Rho graduating class of 2018 will be greatly missed.

## UPCOMING EVENTS

There are no upcoming events since we are on summer break.

# Congratulations Graduates

We're graduating, and we know  
Our lives will be different and  
new;  
We're going out into the world,  
Our goals and dreams to pursue.

But one thing will never, ever  
change,  
As we go our separate ways;  
The friends we've made in school  
will be  
Our friends for all our days.

The special ties and attachments  
we've made,

These bonds will never be  
broken;

We'll continue to feel that special  
bond,

Though words may not be  
spoken.

So it's not "goodbye," but rather  
"farewell;"

I'll see you again, my friend.

Your friendship means a lot to  
me,

And it will never end.

## DG SPOTLIGHT

Samii Stephens, incoming senior, is working through an internship with Miracle Clubhouse in Dayton. She will be helping adults with mental illness gain independence. Their website states that they are a "community for growth, hope and opportunity for people recovering from mental illness in the Dayton-area."

Melanie Barrett, incoming sophomore, has an internship in Columbus at D-Terra Solutions. She is working with them, and in return they are helping her develop "Bailey's Capes" as a business. Melanie started creating capes for individuals who are in wheelchairs in memory of her sister, Bailey. She states they are, "A cape that is functional and can spread love through its unique designs and story."

Stephanie Durban, incoming senior, spent some time in Australia with the Wittenberg Womens Basketball team. They were there for 10 days and played 3 games against different Australian basketball teams. They started in Melbourne and ended in Sydney. What a time to explore!
