FALL NEWSLETTER | 2022-2023 | NEWPORT-SOUTH COAST DG

From The President

Helen Spagnoletti Thies

We are **celebrating 150 years of sisterhood!** Delta Gamma has stood the test of time - but not by standing still. Never has this been more evident than at Convention this year in Philadelphia. Constitutional amendments paved the way for a bright future, and the gavel was passed to a new generation of leaders. Our Fraternity is impressive. Respectful of our heritage, the collegians are forward thinking, articulate and compassionate. My heart bursts with pride to be part of all this. True to form, Delta Gamma is looking to the next 150 years, anchoring our future with an ambitious campaign to make our sisterhood stronger than ever. It is an exciting time to be a DG.

Join us as we continue our journey together-
full speed ahead.

***You Strengthen
our Sisterhood.***

Welcome to Newport-South Coast Delta Gamma alumnae chapter! As a group member, you will meet Delta Gamma sisters of many ages, interests, and chapters of initiation who live in our part of Orange County.

We have a history of providing award winning programming. Our "Do Good" efforts support the Delta Gamma Foundation and Beyond Blindness, a school for local children who have visual impairments. Becoming involved can lead to some wonderful experiences and new friendships! Local NSC member dues help us provide programming, support Service for Sight and local DG collegians at UC Irvine.

Foundation

VP: Foundation ~ Amber Matas

NSC has a history of supporting Blind Children's Learning Center (BCLC), a nonprofit organization that has recently changed their name to Beyond Blindness. Their mission is to empower children with visual impairments and other disabilities to achieve their fullest potential. Early learning is driven by vision, thereby affecting healthy development, academic success and independence. We help make the difference in the lives of these local children.

Let's have fun and continue to "Do Good" this year!

Columnae

Columnae Chair ~ Alisa Reich

Recruitment ~ University of California - Irvine

The start of the school year is getting closer. We still don't have a definitive word from UCI as to what school is going to look like, but every one is moving ahead as if we will be fully in-person on campus. Recruitment this year will be hybrid; sisterhood and philanthropy will be virtual, preference will be in person but hosted at Hilton Costa Mesa, Bid Day will also be in person. Not the most ideal, but everyone is excited for Pref Day and Bid Day being in person and are focusing on great conversations for Sisterhood and Philanthropy!

If you know of a Potential New Member, please send them the following website so they can learn more about Delta Gamma.
