

BETTER TOGETHER SOUTH CAROLINA ZETA DAY 2022

SC SILVER TRAY

District President Juliette Thier awarded this, the highest honor of the night, saying, "This award goes to [the Spartanburg Alumnae Chapter] who have gone above and beyond in all areas. They increased their membership for both last year and this current year already...they had creative and balanced programming...including 6 combined alumnae collegiate events since they support 2 collegiate chapters. They have one of the strongest social media presences and always have an updated website. Their reports are always thorough and on time, and they continue to increase their fundraising to ZTAF. and I have really enjoyed getting to know these sisters better."

DISTINGUISHED ALUMNAE AWARD
