

This Winter the 2022 Chapter Management Team for the Alpha Delta Chapter began their new officer positions! They are working hard and doing a great job with all things Delta Gamma.

For our philanthropy, Service for Sight, members of our chapter made Valentine's Day cards for veterans. Other chapters were able to come and make cards as well. We made over 500 cards and had so much fun doing it!

Sister Spotlight! Sophomore Aarin Leavit volunteered for FoodEugene throughout the term helping stock the Lane County Food Pantry. She started her role as the Vice President Foundation and has loved organizing events, community service opportunities, and loves giving back to the community.

Our chapter had the opportunity to have a women's self defense and safety presentation early this term. A local Eugene police officer came to help the women of Delta Gamma learn self defense and safety. We took so many good skills away from this event and will definitely keep doing things like this in the future.

The North West Association for Blind Athletes gave members the chance to go up to Hoodoo Ski Area to help guide visually impaired individuals go skiing or snowboarding. This was a fulfilling and fun way to help others and interact with the organization!
