

Newport-South Coast Alumnae Chapter Delta Gamma

GREETINGS FROM NSC OFFICER AMINA MARQUART

Amina Marquart, Alpha Lambda, Drake University, is Newport-South Coast's newest officer, currently serving as Co-VP Programming. She is a recent graduate of Drake, where she served as on Honor Board and as VP: Social Standards. In her free time, Amina loves to read, visit the zoo, do escape rooms, and explore the Orange County area. Her current favorite book is *The Night Circus*. In her professional life, Amina works for Disney as an Associate Human Resources Business Partner. Amina is honored to serve the amazing Newport-South Coast alumnae chapter and can't wait to get to know everyone.

AMINA'S MESSAGE TO YOU:

The oath of friendship states that we bear welcome to all who wear the name of Delta Gamma. Upon graduating, constant moving, making friends as an adult and the slight chaos of life post-grad has been my norm. My Delta Gamma sisters have been my rock and foundation throughout the years. Since moving here in 2023, joining a Delta Gamma alumnae group has been a priority for me because I know the bonds of sisterhood and friendship found through this organization are the most genuine and fruitful. My time already spent amongst this group has proven this true again and again. I am so grateful to be part of this amazing chapter and I can't wait to continue to grow in this chapter and extend a hand of friendship to others.
