Deltas,

The NWHC officers had a honky tonkin' good time planning our upcoming year! I was so thankful to kick off the new year and the chance to see everyone in the group on a regular basis. It makes my little Delta heart so happy!

I remember senior year of college when the last thing on earth I wanted to do in the second semester was gather enough points just to get to go to our last formal. Rigid rules and schedules were definitely not going to be a part of my post-grad life full of fun and I have only happy memories when I think of what Tri Delta means to me. That being said, we are looking forward to building our sisterhood even more this year. The membership form is finalized, and we will be reaching out to over 1,100 members in the North-west Houston area to join our amazing chapter.

Be on the lookout for events with lots of fun workshops and activities. We will even be planning some gatherings outside of formal meetings; once a month is just not enough for me to fill the Tri Delta section of my plate!!

Pass on the membership form included in this newsletter and be thinking of unique ways to reach out to those alums around us. We have also included an exciting new opportunity for **dues paying members** to advertise their small business in each newsletter which gets sent to over 250 recipients!

Be sure to pay attention meeting dates this year as we have changed the days of the week we meet to ensure as many sisters can come to our meetings as possible.

Delta love and mine,
Mallory Moore

RECRUITMENT

Please note – our new email for Recruitment and References

nwharriscodddreference@gmail.com

Recruitment has started around the country! A lot was learned last year with virtual recruitment, so each campus panhellenic has adapted. Most schools have adopted the first-round videos instead of the face to face, then moving to in-person for the invitational rounds. I have also noticed that each round consists of more days so that the parties can be smaller.

Thanks again to all who have provided references and information on our local PNMs (potential new members.) We are always looking for DDDs to be added to our distribution list so if you teach in a high school, have high school age children, or are in an NCL chapter or work with high schoolers at your church – we want you!!!

SAVE THE DATE: INTERNATIONAL CHAPTER MEETING

Plan to join your chapter as part of our International Collegiate Chapter Meeting on Monday, November 8th. We will hear from Tri Delta's Executive Board and our partners at Culture Shift Team as they share the results of our organization-wide diversity audit and the steps we'll take together to move Tri Delta forward. No doubt, our collegiate members will lead the way!
