# Founders Day 2026

Founders Day is a special annual celebration that honors the founding of our fraternity, the women who established it and the values and purpose they envisioned back in 1873. This year, North Orange County DG hosts the first OC alumnae Founders Day, inviting all three alumnae chapters to join in the celebration. Please plan on joining in the celebration with your alumnae sisters! The collegians will be celebrating at their chapters this year.

**Date: Saturday March 7, 2026.**

Location: The Villa, located in Orange, convenient to all chapters off the 55 freeway at Katella.

Special Guest and Speaker: Delta Gamma Fraternity President Dr. Amy Ayres!

Why attend? This celebration helps to strengthen the bonds among active members. It celebrates sisters who have attained 25, 50, 60, 70 and 75+ years of sisterhood. This is a reminder that today's members are part of a living legacy--one built on shared ideals and sustained through generations of women supporting one another! It celebrates Individual Alumnae Award recipients, including HOPE and CABLE Award winners.

RSVP by March 5 (please register sooner vs later!).
