Live with Heart

Delta Pi • Lock Haven University

November 2016

A letter from your VPAR

Hi ladies! I hope November was a great month for everyone! In November, we celebrated Founders' Day and had a successful Ultra Violet event!

Thank you for giving me the opportunity to be VPAR this semester. It was incredible to meet you all and learn new things about the sorority we all love. I have been elected Delta Pi chapter president for 2017 and Maggie Keener has been elected VPAR for 2017. I will miss connecting with you all, but I have really enjoyed our time together!

Dove love,

Haley Priester

Founders' Day 2016

We celebrated Founders' Day on November 9th. We had a beautiful candlelit program commemorating the founders, we played Sigma Kappa Jeopardy and had a delicious dessert potluck!

Ultra Violet "Paint Bingo PURPLE"

On November 16th, we hosted our Ultra Violet event at Lock Haven University to raise money for the Sigma Kappa Foundation. Numerous local businesses donated prizes for the raffles, such as a free spray tan, gift certificates, and even a gym membership! It was a fun night and we ended up raising over \$200 for the Sigma Kappa Foundation!
