Greetings from the Gamma Tau Chapter!

Hello Alumnae of the Gamma Tau Chapter. My name is Amanda Rhoad and I am the current Alumni Relations Chair. I am excited to share some of the amazing things that have been going on in the chapter. The chapter has been busy getting new members, planning philanthropy events, bonding over movies, and even dancing the night away during Greek Week. We have all had one busy year and as the school comes to an end, we would like give you a quick update. If there are any questions or would like to see your

name in our mailing list, please contact me at a-rhoad@onu.edu. Also, if you are interested in participating the Alumnae Aunts program please don't hesitate to contact myself or our PR VP, Tiffany Kline at t-kline.1@onu.edu

Since we last talked..

The Gamma Tau Chapter kicked off the school year with fall recruitment. Alpha Xi Delta welcomed 16 new members on Bid Day, helping the chapter achieve campus total, making us the biggest sorority on campus. Our new members have been a great asset to the chapter thus far and will only continue to help grow this organization.

Philanthropy Update

Getting ready for blue dinner!

The chapter has been involved in various events throughout the semester. As you know April is Autism Awareness Month which brought about our busiest month of the year

We started off the semester with Karaoke for a Cause, a successful event we've done for 2 years now. The semester continued with the traditional Blue Dinner and Blue Baseball Game.

In each of these events it has been amaXing to see sisters stepping up and getting involved with events because they feel passionate about what we are raising money for. All and all, we have had a very successful semester raising a total of \$3,309 for Autism Speaks, and we are looking forward to continuing raising money for Autism Speaks with our events in the fall.

Greek Week

A special thanks to Nikolina Janakievski and Dani Kendall for taking the position of Greek Week Chairs this year. With their leadership and organization during this week, we had a great week with a lot of sister bonding throughout the events. It took a lot of hard work and dedication from our sisters, but I'm excited to let you know that we received first place for Greek Sing 2016!! If you are interested in watching our video, it is located on YouTube and is titled "ONU Alpha Xi Delta Greek Sing 2016."

While we finished 3rd overall at the end of the week, we received the best sportsmanship and spirit award. We have seen such an improvement from past years all with the help of our talented sister and are already excited for Greek Week next year.
