Epsilon Rho

May 2016

Spring 2016 Newsletter

The women of Sigma Sigma Sigma are having an amazing year!

We thought that we would send a little update on everything we have done this semester.

Enjoy!

Sigma Serves

Our event "Home Runs for Robbie" raised money for our philanthropy Sigma Serves Children. This money will go toward therapeutic play for children in long term hospital care.

New Alumnae Members

This semester we also said goodbye to twenty-one of our members; Kammie Beyer, Brittany Blum, Christina Blum, Caitlyn Brady, Ashley Brittain, Emma Chapman, Shelby Danielson, Jordyn Edling, Mariah Haffield, Shalalah Johnson, Kaitlyn Kanne, Tierney Kelsey, Amanda Kordovsky, Noel Kwiat, Courtney Leisman, Najuma Mutyaba, Claire Pomaville, Tori Rudolph, Angela Serbus, Lauren Siebenaler, and Becky Wegscheid. All of these amazing women will be joining our alumnae and will be going on to accomplish so much in this world!

Initiation

This semester we were able to initiate three wonderful women; Catherine Miller, Kaylynn Cousin, and Madi Gottschalk into the Epsilon Rho chapter. Making total this semester with 69 members.

Greek Awards

Greek Awards were held in April 2016 for the 2015 calendar year. We are so proud of the women representing our chapter! Congratulations to Jordan Arbo, Leah Kellog, and Nikki Kramer for their individual awards. Epsilon Rho also took home the award for Best PR and Marketing of 2015.

We will update you again in the fall!

With love,
The women of Sigma Sigma Sigma, Epsilon Rho
