

DELTA SIGMA PI

America's Foremost Professional Business Fraternity

Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities. We strive to ensure that our members gain experience in all areas of professionalism. Because of our vision to be well rounded in professionalism, brotherhood, and community service, we are a very well respected organization on campus. We were recognized as Bowling Green State University's Most Outstanding Student Organization in 2005, 2006, 2008, 2010, and 2011.

A component of our fraternity is to join forces with successful businesses like yours. We offer sponsorship packages that have been designed to benefit your company by giving you direct access to the most exceptional business students at Bowling Green State University.
