Kappa Eta Chapter Takes a Stand Against Hazing

September 18th marked the first day of National Hazing Prevention Week, in which ZTA as a national organizational is highly involved. Chapter members of Kappa Eta teamed up with the men of Alpha Delta Gamma to pledge to do their part to prevent hazing on Rockhurst's campus and nation wide. Pictured here are the members of Kappa Eta sporting their hazing prevention buttons, reminding us to

“Do the right thing for the right reason, all the time”.

Wolfe Travels the World Over

I traveled to Cusco, Peru for the entire month of June with the Rockhurst Language Department. I got the opportunity to see, participate in, and live an authentic "Cusqueño" life. I stayed with a host family and went to language school Monday-Friday. After my mornings at school, I would go volunteer at an orphanage for children with special needs called, "Madre Teresa de Calcuta." On the weekends we traveled as a group and saw so many incredible historical sites such as, Macchu Picchu. Other weekends were spent in Lake Titicaca island hopping and at Rainbow Mountain, hiking up the colorful mountains. This was an experience and culture I will never forget!

Think Pink Week

Join us the week of October 23rd through the 27th as we celebrate Think Pink week! We would like to invite any alumni or parents who can make it to any of our events during this week to raise money for Breast Cancer awareness and education. Monday we will host a guest speaker at 9 PM, Tuesday will be a basketball tournament, Wednesday is our annual BMOC Pageant. Ask your daughter about profit share nights going on during the week!

Dig Pink Volleyball Game

To round out Think Pink week, we would like to invite you to attend an RU Women's Volleyball game on 10/27 at 7pm, dedicated to fundraising for Breast Cancer awareness. Games, a raffle, and a great cause! We hope to see you there.
