CRUSH FORMAL 2017

Lauren Collier '19

The newest women of Zeta Tau Alpha were treated to a warm welcome this spring with our annual CRUSH dance.

Socials director, Maura Buchheit ('19), organized a fantastic evening full of music, dancing, and chocolate covered strawberries.

Members of all ages, and their dates, enjoyed an array of desserts at the Grand Street Café.

Pictured above is this year's Executive Council (EC). Members on EC are elected each year, and their responsibilities include managing and leading the chapter.

MOTHER'S WEEKEND 2017

Lauren Collier '19

During the third weekend of March, chapter members and their mothers and aunts gathered in KC to celebrate ZTA Mom's Weekend.

Guests were welcomed on Friday with a mother/daughter craft and were invited to tour our newly renovated chapter room.

On Saturday, a tea

reception was held in the Greenlease Atrium. A few lucky mothers and aunts received raffle prizes, and all in attendance enjoyed hearing member's testimony about their mother's importance in their lives.

Katie Puricelli ('19), Maddie Thornhill ('18), and

Hannah Rios ('17) all shared kind words about their Mothers. Members met later that evening at Paint, Glaze, and Fire to enjoy time painting and creating pottery masterpieces.

We are so grateful to everyone who came out and made this Mom's Weekend a great success.
