Hello NSC Delta Gamma alumna,

Newport-South Coast had an exceptionally fun fall 2014. As most saw in our last newsletter, we started the year off with a bang at our yearly fall kick-off. That event just started the good time NSC sisters would have.

In October, member Kendall Kunert hosted our murder mystery dinner party. Members took on different roles (some of us may have a future career in acting ☺) and solved the crime as a team. We dressed up for the fun and dined on delicious dinner treats. It was a fun night of pretending, laughing and having fun with sisters.

In November, member Helen Thies hosted us for a red dress party. Again, members dressed up and we talked about women's health. It is always great when sisters from all over can get together and learn together.

Our yearly December event is usually our gift exchange on Duffy boats in the Newport Harbor but due to some bad weather, our plans had to change. Patty Wayte hosted us for a Gingerbread house building party. We did our best to make the homes beautiful with all the different holiday goodies.

If spring is anything like fall, we look forward to having the same amount of fun. As a chapter, we look forward to seeing you at an upcoming event!

Delta Gamma Founders Day Brunch 2015 *March 7th - Mesa Verde Country Club*

Please do not forget to put the date on your calendar. Newport-South Coast will be hosting Founders Day this year. Our yearly day to remember our 3 founders and connect with sisters of all ages will be hosted at the beautiful Mesa Verde Country Club in Costa Mesa, CA. Please do not forget to send in your RSVP by February 23rd. If you have any questions, you can contact our Founders Day Chair Rebeca Munoz at rebeca@bhhscdm.com

NSC Member Spotlight

Lauren Brown was initiated into the Alpha Nu Chapter of Delta Gamma at the University of Southern California. She is currently our Vice President of Membership. This is the first position she has held for our chapter and might we say, she is doing an amazing job. She currently works in medical device sales and specifically is a Spinal Deformity Consultant. She gets to be in the operating room while surgeons operate and she loves it!

Lauren is also a very active member of Junior League of Orange County and she is currently a Provisional (new member) Advisor. She loves good wine, travelling to fun/exciting new places and meeting new girlfriends through Junior League and DG. She loves food and cooking. Her favorite "go to" restaurant where she has never been disappointed though would have to be Houston's in Irvine – "every dish is fabulous" says Lauren. She also recommends for a great sushi Shunka in Costa Mesa. Lauren let us know "the sushi chef's omakase is amazing, a must try."

One of Lauren's favorite collegiate memories would have to be her bid day in 1998. That is where it all started. From the moment she accepted her bid, she has made amazing friends that have lasted the last 16 years. She mentioned she is an only child and her DG sisters because her family away from home during her college years. Her favorite alumni memory was this year's murder mystery party. Everyone was supposed to despise her character in the story line (and boy was that true). It turned out to be a fun night that she will remember for years to come.

Thank you Lauren for all you do for our chapter!

We are always collecting them to support the Blind Children's Learning Center. Don't forget to bring them to our next event. Look how cute these kiddos are 😊

Are you interested in getting involved?

Delta Tau (Chapman University) and Delta Phi (UC-Irvine) are looking for advisors.

There are also openings on the board for next year which begins July 1st, 2015.

If you are interested please email us!

NETWORKING with NSC

****** If you are interested in us featuring your locally owned business on our website or an upcoming newsletter, please email this information to our email by **Feb. 15th**. We would love to spread the word about our local members!******

Did you know...

The ANCHORA is mailed four times a year to members who pay Per Capita Dues. If you do not pay PCD, you will still receive one copy each year in the mail. Members can read the publication online at all times at deltagamma.org, the Fraternity website. 50+ year members are included in the list of recipients of all issues. The spring issue has the highest circulation of the four issues. That issue is sent to all members.

Have You Registered Your Legacy?

Register your daughter or granddaughter with Delta Gamma. The Fraternity will send her a special gift and birthday cards and keep her name on file as a Delta Gamma Legacy in case she goes through recruitment when she goes to a college that has a Delta Gamma collegiate chapter!
