For 1987 a design change was made in the Door and Rear Compartment locks on the subject vehicles.

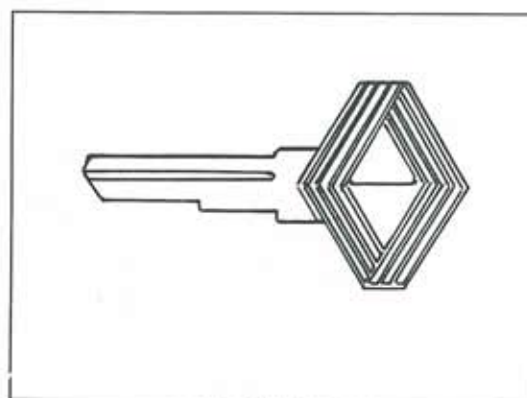

The changes called Easy Entry resulted in new Unit Shutters - Cylinders and Cases.

The Unit Shutter assembly now contains a Keyway Tab! As a result of added Tab, the 321256 Key Blank will not fit 1987 vehicles produced after February 15th, 1987, because of the short key groove milling.

The new 1987 Key Blank number is: 321632

"EASY ENTRY"
321632

OLD KEY BLANK
321256

- Key change also incorporates new tip for easier entry
- Cylinder change made to guide key into lock
- Shutter and cylinder cap both change
