Preparing for Launch – Enable Class Login

Each class has a unique 3-digit code that allows students to login easily by entering the class code and then finding their name from a list. Follow the steps below to enable this on each device.

1. Navigate to **reading.amplify.com**.
2. Tap **Enable Class Login**.
3. Tap **SSO to Enable Class Login**.
4. Log in with your SSO domain (LAUSD) using your district credentials.
5. Now students can log in with a Class Code, which is located on your teacher dashboard. (See the instructions below for retrieving your Class Code.)
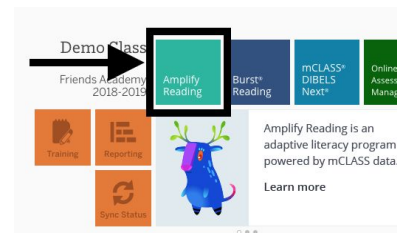

Students can also use their own SSO credentials to log in at school or at home. For more information, go to https://my.amplify.com/help/reading.

Teacher Dashboard

You can view student progress and Class Code information through the Amplify Reading teacher dashboard.
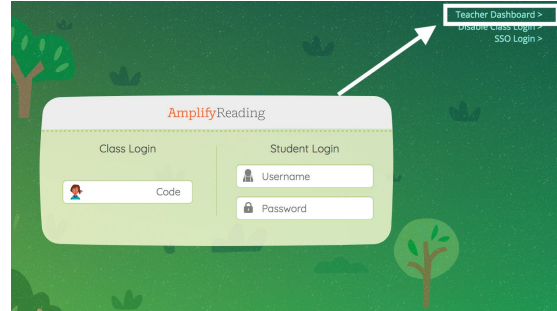

Accessing your Teacher Dashboard

1. Log in to **lausd.mclasshome.com** with your district credentials.
