

MIX IT UP

HERE ARE 7 INGREDIENTS SURE TO SHAKE UP ANY TEQUILA COCKTAIL.

GINGER LIQUEUR:
So hot right now. Try Domaine de Canton or The King's Ginger.

BLOOD ORANGES:
In season all winter, these are best when freshly squeezed.

GRAPEFRUIT SODA:
A popular mixer in southern Mexico, this spritzer is sweet, bitter, and refreshing.

AGAVE NECTAR:
The miel de maguey comes from the heart of the agave plant.

FRESH GINGER SYRUP:
Made by simmering ginger-root, sugar, and water, this mixer is super flavorful. Use in moderation.

HOMEMADE GRENADINE:
Combine pomegranate juice and simple syrup in equal parts. Enjoy!

TRIPLE SEC:
This dry-ish orange liqueur needs no introduction. Cointreau is king in this category. Also try Curacao or Grand Marnier, which is distilled from cognac.

ENJOY WITH UNCOMPROMISED RESPONSIBILITY.
