LONDON DRY GIN

BERRY BROS & RUDD
No.3 ST JAMES'S STREET

BEST WHITE SPIRIT · BEST GIN
WSWA 2011 Spirits Tasting

DOUBLE GOLD · BEST GIN IN SHOW
2011 New York World Spirits Competition

No.3 is made to Berry Bros. own recipe in traditional copper pot stills by distillers with over 3 centuries of heritage and expertise. With juniper at its heart, No.3 embodies the traditional character of a London Dry Gin. At 46% alc/vol, it is the ideal strength for a classic dry martini and your key to the perfect Gin & Tonic.

"Just 3 fruits and 3 spices are all we deem essential to the flavor of No.3 London Dry Gin."

-Dr. David Clutton, Maker of No.3 Gin

FEVER-TREE PREMIUM INDIAN TONIC WATER

Fever Tree Tonic Water is a premium mixer with only the finest, all natural ingredients. We blend spring water with the highest quality quinine sourced from the Rwanda Congo border and natural botanicals including hand cold pressed orange oil from Tanzania, coriander, and marigold from Africa. The result is a delicious, natural tonic with a uniquely pure and refreshing taste and aroma. Fever Tree contains no artificial colors, sweeteners, flavorings or preservatives.

"Our overwhelming favorite!"

Color: Pure and crystal clear.

Nose: High carbonation accentuates the clean and gentle aroma of fresh citrus in a vibrant, refreshing way.

Flavor: Very soft on the palate. Subtle citrus and fruit notes balance the tanginess of natural quinine. The finish is pure without the cloying mouth-feel present in other tonics.
