1.- Picture of building in Llera de Canales.

Let me write some history about it.

“In the Month of February, 2000, Raymundo Delgado was sent to open a New Congregation in Llera. He was supported by a Congregation located at Northcross, Georgia. We purchased the property in Llera, giving a down payment and making monthly payments. When all was

MEXICO MISSION WORK. MARCH-APRIL 2022 REPORT

paid, we received a Property Title legally registered at The Registry of the Public Property Office.

Running the years, I got some help from a Lady Christian from Huntsville, Tx. and started the construction for a building at the property.

In 2005, Raymundo moved from Llera to another congregation located by the Mountains. I sent to Llera to Sergio Ramirez to continue with the work.

All was fine until the Year 2012, when a group of criminals targeted the Family, burning 2 vehicles that we donated to the congregation years before. The Ramirez family fled away to save their lives. They went to Cd. Valles, S.L.P.

I offered to them support to start a New Congregation in Cd. Valles, but they quited 4 months later, maybe because the stress suffered when they were treated in Llera.

The building in Llera was abandoned by the membership, and the members started to meet at the original place, when Raymundo converted them: at the home of Sister Kalita.

I went several times down there to convince them to come back to use the building. It is equipped with Water and Electricity...and the Year 2020, the Municipal Government have introduced sewer to the Colony. Despite of the invitation, the members refused to come back.

Starting the Year 2019, I put the property in for sale. The plan is get money to pay back the Mission Program Debt acquired to purchase the property for the Congregation in Graciano Sanchez or to pay off the remanent debt with IMSS.

This picture show the building. Our preacher in Graciano Sanchez, is going to mow it every 2 months during the rainy season.
