

# April 2022 Acuna, Mexico Newsletter

Brothers from Andrews may the eternal Love of our creator and his mighty tender hand protect you and your loved ones, that is my constant daily prayer for you all. The following is to inform you of what has happened this past month of April, the 4<sup>th</sup> month of the year. We can see how fast the days and months advance, a month where we can begin to feel the heat, also the rain has made its presence and that is a blessing because we have been praying for rain and our God has been so generous and bestowed his blessings in his timing, blessed be the name our Jehova.

I will begin by commenting that on April 30<sup>th</sup> in Mexico we celebrate the day of the child, and the church prepared a special fellowship time. They are the future Joseph, Timothy, and Moses learning since childhood the Holy scriptures, for those are kingdom of heaven. God permitted us to have that take place with lots of laughs, hot dogs, cake, candy, Jamaica Water a pinata and most important the message from Jesus was planted in their hearts.

We also continue working with the men of the congregation performing maintenance on the building we have set aside one Saturday of the month to meet up and make our place of worship more friendly and Worthy of the God we adore.

We continue as a church implementing strategies to better our service to God, during worship and our service to our neighbor, that is where the growing of the kingdom begins and the preparation is daily. We also continue with our home bible studies, general meetings and also using Facebook to reach others. We continue working with our new converts showing them the first rudiments and trusting the owner gives growth, but that is not from us but from GOD.

Well brothers that is all for the moment, I'll dismiss by sending a fraternal hug from this your servant and from my family and the church, being mindful of how much our Lord has cared for us during the affliction and His Mercy has not left us.
