CE Masterclasses

This Nuclear Cardiology Masterclass is primarily focused on Technologist education but is open to all ANZSNM members. There are limited places available with ANZSNM members getting priority access to this event.

Members who are interested in attending need to complete this registration form and return it to the ANZSNM secretariat by Friday August 23rd. Limited places (25-30 in total) are available so early registration is recommended to avoid disappointment.

Following August 23rd if vacancies remain the invitation to attend will be extended to non ANZSNM members at a registration fee of \$50. A registration form will follow.
