

Call for Expressions of Interest (Eoi)

Australasian Radiopharmaceutical Trials Network Scientific Committee

Expressions of Interest are requested from ANZSNM members to join the Scientific Committee of the newly-created Australasian Radiopharmaceutical Trials Network ("ARTnet") – a stand-alone entity which is a joint venture between the ANZSNM and the AANMS – to oversee the trials-based activity of the network.

The Scientific Committee will review all proposed trial projects and protocols and is responsible to the ARTnet Executive Committee. All financial members of the society are welcome to apply.

The Committee consists of a minimum of seven and up to 10 individuals composed of three members nominated by the ANZSNM, three members nominated by the AANMS, plus one independent consumer representative member and up to three members external to either ANZSNM or AANMS directly appointed by the Executive Committee. Appointment will initially be for a two year period. In addition to the 10 Committee members there will be a Chair of the Scientific Committee who is appointed by, and is a member of, the Executive Committee.

Society members with previous experience of participation in clinical and/or imaging trials are particularly encouraged to apply. As the AANMS-nominated members will be medical specialists the ANZSNM, for balance, is seeking to have a broad range of disciplines nominated by it on the Scientific Committee. The Committee meets up to four times per year – once face-to-face at the ANZSNM ASM and via teleconference on three other occasions, or as required. The Scientific Committee will hold its inaugural meeting at the 2014 ASM.

Eols should contain the following:

- A brief letter outlining reasons for wanting to be part of the Scientific Committee including details of any previous clinical or imaging trial activity, details of current employment and preferred email address and contact phone number;
- An up-to-date CV (max. 6 pages);
- ANZSNM membership number.

Eols should be submitted electronically (PDF preferred) to: ANZSNM Secretariat at secretariat@anzsnm.org.au. The closing date for the Eols is **5pm Wednesday 12 March 2014**. For enquiries and further information contact the ANZSNM Secretariat. The ARTnet Scientific Committee Terms of Reference is available on request.
