

**The Australasian College of Physical
Scientists and Engineers in Medicine**

Physics SIG Workshop 2004

DEVELOPMENTS IN RADIATION PROTECTION AND CLINICAL DOSIMETRY

Tuesday, December 14, 9:00am-5:00pm

**Kerry Packer Education Centre
Royal Prince Alfred Hospital**

**The Australasian College of Physical
Scientists and Engineers in Medicine**

RADIONUCLIDE DOSIMETRY TRAINING

Professor Michael Stabin

Wednesday December 15, 9:00am-1:00pm

**John Greenaway Room
Clinical Education Centre, RPAH**

**Organised by Physics SIG with the support of the University of
Sydney and the University of Wollongong**

Sponsors Physics SIG 2004

Australian RadioIsotopes – Kevin Murphy

Bristol Myers Squibb – Wayne Melville

Domo Technica – Victor Kysilo

GMS – John Hodder

Nucletron – Peter Douglas

Packard Services – Ken Furphy

Radiation Wise – Keith Terry

University of Sydney – Clive Baldock

University of Wollongong – Anatoly Rosenfeld

Vita Medical – David Rundell
