

LEED 2009 for Existing Buildings: Operations & Maintenance
IEQ CREDIT 1.4: INDOOR AIR QUALITY BEST MANAGEMENT PRACTICES
REDUCE PARTICULATES IN AIR DISTRIBUTION

All fields and uploads are required unless otherwise noted.

ALL OPTIONS

This static sample form has been modified for offline access. All sections of the form are visible. Sample forms are for reference only.

Performance period start:

Performance period end:

Air filtration media with a minimum efficiency reporting value (MERV) greater than or equal to 13 were in place and functioning properly for all outside air intakes and inside air recirculation returns in the project building during the performance period.

Signatory	
Initial here:	<input type="text"/>

List all filtration media in place on outside air intakes and inside air recirculation returns during the performance period.

Table IEQc1.4-1. Air Filtration Media

Filtration Manufacturer	Filter Identification (Model #)	MERV Rating	Location of installed filter
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Describe the schedule for regular maintenance and replacement of filters. Summarize the manufacturer's recommended replacement interval for the specific application of each filter used in the project building.

ADDITIONAL DETAILS

- ☐ Special circumstances preclude documentation of credit compliance with the submittal requirements outlined in this form.

SPECIAL CIRCUMSTANCES

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits.

Upload IEQc1.4-SC. Provide any additional documentation that supports the claim to special circumstances. (Optional)

- ☐ The project team is using an alternative compliance approach in lieu of standard submittal paths.

ALTERNATIVE COMPLIANCE PATH

Describe the alternative compliance path used by the project team. Include justification that this path meets the credit intent and requirements. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits.

Upload IEQc1.4-ACP. Provide any additional documents that support the alternative compliance path approach. (Optional)
