This static sample form has been modified for offline access. All sections of the form are visible. Sample forms are for reference only.

Performance period start:

Invalid date range: The performance period must be between 89 and 731 days, and must end within 90 days of the overall project performance period given in PI Form 4.

Performance period end:

**Upload L-11.** Provide the indoor integrated pest management (IPM) plan that was in place and fully implemented over the performance period.

- ☐ The plan includes the following elements:
- Integrated methods;
  - Routine site inspections and maintenance;
  - Routine pest inspections;
  - Pest population monitoring;
  - Evaluation of the need for pest control and one or more pest control methods;
  - Specification of the circumstances under which an emergency application of pesticides can be conducted without complying with the earlier provisions;
  - A communication strategy directed to building occupants that addresses universal notification if pesticides other than least-toxic options are utilized.

- ☐ Any cleaning products included in the IPM plan meet the requirements for IEQ Credit 3.3.

Select as applicable to the project building:

- ☐ Pesticide application occurred during the performance period.

**Upload IEQc3.6-2.** Provide a log noting date and circumstances of any pesticide application that occurred during the performance period.

#### ADDITIONAL DETAILS

- ☐ Special circumstances preclude documentation of credit compliance with the submittal requirements outlined in this form.

## SPECIAL CIRCUMSTANCES

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits.

**Upload IEQc3.6-SC.** Provide any additional documentation that supports the claim to special circumstances. (Optional)

- ☐ The project team is using an alternative compliance approach in lieu of standard submittal paths.

## ALTERNATIVE COMPLIANCE PATH

Describe the alternative compliance path used by the project team. Include justification that this path meets the credit intent and requirements. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits.

**Upload IEQc3.6-ACP.** Provide any additional documents that support the alternative compliance path approach. (Optional)
