

Maryland Periodontal Review & Board Preparation Course

July 15-18, 2010
Baltimore, MD

Preparation for Part I and II of the ABP Boards

Course Objectives

- Critically review topics relevant to the American Board of Periodontology examination.
- Present the current Board Examination Part 1 and 2 protocol—including strategies, resources and timelines for preparation.

Whether you are scheduled to take the American Board of Periodontology written examination (Part 1) or the oral examination (Part 2), or simply want 3 1/2 days of intensive review and update in our specialty, this is the program for you!

Presented by leading clinicians, researchers and educators, the course offers a focused overview of the science and pertinent literature in periodontics, with an emphasis on those subjects likely to be encountered in the American Board of Periodontology examination. The format of the written and oral examinations and resources available for study and preparation will be discussed.
