Did you know that having your pet spayed/neutered when they are 6 months of age drastically decreases their chances of getting mammary or testicular cancer?

Plans can be paid in full at the time of purchase for additional savings!

Wellness Plan ADD ON Plans

The Emergency Plan

Enrollment in this plan waives your first emergency fee. Additional emergency visits will be at the reduced rate of \$72.50 vs. the Non Emergency Plan fee of \$120 per visit.

Just **ONE** emergency visit with a non-enrolled pet will almost pay for this plan!

This plan is in addition to your pet's regular health care plan.

With this plan you pay:

\$12/mo for a single pet (\$144/yr)

\$15/mo for a multi pet family (\$180/yr)

The Bath & Boarding Plan

This plan allows your pet to come in once a month for a completely free day at the spa!

This includes a bath, ear cleaning, nail trim, anal sac expression and brushout for free!

In addition, you also receive a 5% discount on boarding, grooming/shaving, furminating and subsequent visits for bathing, nail trims, & anal sac expression throughout the year.

This plan offers a huge savings to anyone who uses these services. Just one visit at the spa for the average sized dog runs around \$60.00!

With this plan you pay just \$16/mo (\$192/yr).

That is a savings of over \$500 a year!!
