

The 47th Annual Gene Scheck Rotary Apple Sale

The Rotary Foundation: 100 years of doing good in the world!

In honor of the Foundation's 100th anniversary, proceeds of this apple sale will help support Rotary's PolioPlus program, our commitment to end polio globally. Rotary International, along with our partners, has reduced polio cases by 99.9 percent worldwide since our first project to vaccinate children in the Philippines in 1979. **Be a part of history and help end polio now!**

*The Rotary Club of Sebring strives to bring you the highest quality apples available!
Please use this chart and the order form on the front to select the apples you would like to order this year.*

The Rotary Club of Sebring was organized in 1924 by Fairfax T. Haskins. Rotarians have acted in his typical Rotary spirit of "Service Above Self" ever since. The Sebring City Pier, Rotary Park, The Salvation Army, Sebring Middle & Hill-Gustat Middle School Bands, Hammock Road Multi-Sport Path, Ridge Area Arc and The Champion for Children's Foundation are just a few of the local community projects that The Rotary Club of Sebring supports. We meet every Tuesday at 12:15pm at the Sebring Civic Center.
