

The Pet Resort of Estero Animal Hospital

There are times when you must find an alternate place for your family pets to stay while you're away. The Pet Resort at Estero Animal Hospital offers you the peace of mind that your companion animal will be cared for and kept safe, happy and comfortable.

We are excited to be providing pet boarding for your cherished loved ones in our Pet Resort area. We have a clean, comfortable, and spacious lodging facility. Dogs and cats have separate wings of the building so as not to disturb each other. There is a state-of-the-art air conditioning system to help avoid air borne diseases. All rooms have access to natural ambient light. We also have a secure outdoor exercise area. Feel free to ask any of our team members for a tour when visiting our facility.

We at Estero Animal Hospital obviously love pets. But you may ask yourself, why board at a medical facility? Here's why: we not only will provide the standard care that most boarding facilities provide, but we also can be a one stop shop. If your pet is due for vaccinations, we can do those while they are boarding. If they need medications or treatment, we have the experience and knowledge to care for them. And, if the unforeseen happens and they get sick, we can treat them immediately. You can rest easy knowing that your pet is in loving, experienced hands. We have convenient drop off and pick up hours. Please contact us if you have any further questions or for current prices.

Cat Accommodations

Cats have access to completely separate, private and peaceful cat room featuring our modular Cat Villas that allow for natural climbing behaviors.

Boarding Requirements

At Estero Animal Hospital we would like to establish a relationship and get to know you and your loved one(s). As a hospital policy, boarding services are reserved for established patients only. We would be happy to schedule an appointment prior to your boarding reservation in order to establish your pet as a patient. We are always accepting new patients and can usually accommodate your schedule with advanced notice. Please call for current prices.

All dogs are required to be current on the following vaccines: Rabies, DHPP, Bordatella, and Canine Influenza*. They must also provide proof of a negative fecal & heartworm test within the last year.

All cats are required to be current on the following vaccines: Rabies & FVRCP*. They must also provide proof of a negative fecal test.

We require that your pet is free of internal and external parasites. If any are noted, appropriate treatment will be necessary under the guidance of a veterinarian at owner's expense.

****Proof of vaccines must be from a licensed veterinarian.***

It is strongly recommended that all owners pack their loved ones preferred diet, as well as other comfort items, such as bedding, blankets, toys etc. Don't fret if you forget these items, we will provide what's needed.

For more specific information regarding vaccinations, feel free to contact any of our highly trained team members at the hospital.

Payment is due upon check-out. We accept cash, checks, CareCredit, Visa, MasterCard, Discover, and American Express.
