~~~~~  
\*\*\*If your pet needs to be sedated, it will first need to be examined by a Veterinarian and both Exam fee and Sedation charges will be added.

|                        |         |
|------------------------|---------|
| Sedation + Examination | \$73.75 |
|------------------------|---------|

\*\*\*If your pet requires sedation for any grooming service you must fill out a sedation authorization form.

**NO PET WILL BE SEDATED WITHOUT AN EXAM!!!**

Like you, our greatest concern is the well being of your pet. Occasional problems can arise due to pre-existing conditions not evident during routine pre-anesthetic physical examinations. To avoid these problems, we recommend that all of these cases be screened prior to anesthesia by means of the following laboratory tests. Please indicate below which test(s) you approve or decline.

| TEST:                                                                        | PRICE   |                                  |                                  |
