

Canine Physiotherapy Lunch and Learn with CE for Technicians!!!

Are you interested in having a Rehab Therapist from THE SPAW come and talk to your team about canine physical rehabilitation?!

Please complete below and email back to Jennifer at Jennifer@thespaw.com

All sports medicine and physical rehabilitation programs at THE SPAW are designed and supervised by a veterinarian with advanced training in canine rehabilitation and carried out by Certified Canine Rehabilitation Therapists and Assistants***

THE SPAW is anchored by our underwater treadmill and stainless steel water therapy pool

****We respect the Veterinarians responsible for regular veterinary care of our referred rehab patients and will send all regular veterinary care related issues back to this Veterinarian. Communication by fax will occur at all initial consultations, rechecks and at the completion of the rehab package.
We refuse to accept referred rehab clients as regular clients for 1 year after referral!*

Services Offered at The Spaw
