## Veterinary Technician

Copake Veterinary Hospital is currently seeking a qualified individual for the position of **Veterinary Technician**. This is a **full time position** which includes a very competitive compensation and benefits package with the opportunity to work in a well-established (60 year) veterinary practice in eastern New York State near the Massachusetts and Connecticut borders. Our team serves the tri-state area with a team of doctors and staff dedicated to providing outstanding compassionate veterinary care for our patients and world-class customer service for their owners.

### Qualifications Include:

- Minimum of two years' experience as a veterinary assistant or veterinary technician
- A true desire to provide outstanding compassionate customer service to our clients and their companion animals
- New York State licensed veterinary technician (CVT) candidates are preferred

If you feel that your qualifications, skills and experience would be a good match for this position at Copake Veterinary Hospital, please stop by and pick up an employment application or go to [www.copakevethospital.com](http://www.copakevethospital.com) and download an application.

### Your applications can be:

- emailed to [copakevethospital@yahoo.com](mailto:copakevethospital@yahoo.com)
- faxed to 518-329-1393
- mailed to Copake Veterinary Hospital  
7915 State Rte 22  
Copake Falls, NY 12517
- dropped off at the clinic at 7915 State Rte 22 Copake Falls, NY
