Boarding Requirements

For the safety of all pets under our care, all pets must be current on **Rabies, Distemper & Bordetella** (Kennel Cough Vaccine for dogs only)
**Proof will be required for non-patients*

Additional Information

- If picked up before 3:00, no charge for that day.
 - Reservations will be held up to 24 hours from time of set appointment
 - If picking up your pet early, notice needs to be given to kennel in advance.
 - Animals on special diet foods need to have food brought with them. If we carry that particular food we will provide it, and boarders will be charged accordingly.
 - Animals that become ill during their stays will be treated at normal hospital rates.
 - Boarders requiring medications will be given per owners instructions. (Medications must be provided or purchased from hospital supplies)
 - Baths & Nail trims are available by request at \$20.00 & \$15.00 respectively. (Boarders requiring bathing as a result of their stay will be done without charge)
 - Personal items, i.e. leashes, blankets & toys will be left at the pet owner's risk.
 - All pets are checked for fleas upon arrival. If fleas are found, your pet will be treated with an oral medication called Capstar. Cost of medication will be added to your bill.
- NO PICK-UPS AFTER OFFICE HOURS • NO SUNDAY PICK-UPS**
