Pet's name:

Species: Breed:

Also here for appointment with Veterinarian:

I request that my pet receive grooming care and consent to the appropriate procedures described to me by staff groomers at Cascade Summit Animal Hospital.

Today I request that the groomer clip the hair coat:

- Not at all (just a bath)
- Areas of matting only - as close to the skin as necessary to remove mat.
- Sanitation clip around the anus and vulva (females) leaving 1/16 inch of hair
- Face and feet
- All over leaving _____ inches of hair on coat
- Other as described here:

Additional:

tooth brushing \$8, dremel nails \$10, anal gland expression \$20, nail polish \$10

* I am aware that grooming procedures for animals require the use of safe and humane restraint to protect the pet and groomer from injury. I authorize the groomer to use a soft muzzle if necessary. If sedation is required, I understand that the veterinarian on staff will call with his/her recommendation before any such procedure is performed.

* All questions and concerns I have about the recommended grooming procedures have been answered to my satisfaction.

* I understand that an estimate of the fees for the above grooming care will be provided to me, and that I am encouraged to discuss all fees related to such care before services are rendered. I agree to assume financial responsibility for the remaining fees, and provide payment at the time my pet is discharged.

*** Estimate for today's grooming is:**

(If groomer not present at time of check-in, groomer will call with estimate.)

* Is there a specific time when you need to come back and get your pet?
