

General Information about All Pets Doggie Day Care

Dogs

ALL dogs must pass a temperament test prior to their first day at daycare. Temperament tests generally last 30-45 minutes, and an appointment is REQUIRED for the test. Dogs will not be allowed to stay a full day on the day of the test.

No dogs will be allowed in the play area without proof of current vaccines. **NO EXCEPTIONS.** This is for the safety of the other pets in our care, as well as the staff.

Required vaccines are:

Rabies (yearly)

Distemper (yearly)

Canine Influenza (yearly)

Bordetella (every 6 months)

Fecal (yearly)

***Heartworm & Flea/Tick preventative*

All forms and waivers must be completely filled out and signed prior to the temperament test.

Play Area

All dogs must arrive before 9:30am.

Gate management is critical at our facility. Please do not pet the dogs over the wall, call to your dog, or otherwise engage the dogs until your pet is outside of the play area and on a leash. Fence fighting and high arousal can occur and may cause injuries.

No dogs will be allowed into the play area with collars, leashes, clothing, bandanas, wounds, stitches, etc. **NO EXCEPTIONS.**

If your pet has had surgery recently, a written and signed release from your veterinarian may be required to ensure their safety coming back into daycare.

There will be a "nap time" every day from 12:00pm – 1:00pm to give the dogs a much needed rest. Soft music is played, the lights are turned off, and "quiet time" allows for a physical and mental break. Rest periods and crates are used throughout the day as staff see fit to keep the dogs safe and content.

All Pets Doggie Day Care reserves the right to refuse ANY dog at ANY time that we feel is unsafe or inappropriate for our facility. If we believe your dog is not the right fit, we may recommend another alternative.

Please understand that our staff is always busy keeping your pets safe and happy. Any phone calls during operating hours will go directly to voice mail. Please call 815-838-0505, option 3 and leave a message for day care staff to schedule a temperament test or if you have further questions.
