- All animals must be current on all vaccinations
- All animals must be free of external parasites (fleas, ticks etc), or they will be treated at owner's expense
- In the event that the staff of Pet Street Veterinary Care Center may not be able to contact me immediately, they have my permission to do whatever is necessary should an emergency arise or if my pet becomes ill and treatment is indicated. I agree to pay for such services
- I understand that any personal items left for my pet(s) while boarding are left at my own risk. Pet Street Veterinary Care Center is not responsible for any loss or damages
- Please remember that we cannot guarantee the health of any animal, so it is understood that Pet Street Veterinary Care Center will be held harmless for conditions that are so often unavoidable in boarding environments, including but not limited to weight loss, kennel cough, upper respiratory tract infections, diarrhea, fleas and ticks
- If your pet will be receiving medication during his or her stay, it must be in the original veterinary labeled container with instructions for administration and your veterinarian's phone number. Fees for medications that need to be filled or refilled during the time your pet is boarded will be added to your bill
- If your pet is boarding for 5 days or longer with us, bathing will be complimentary
- Every boarder who has never been seen at our clinic needs a wellness exam (\$45) prior to boarding. If the boarder is seen within the last six (6) months at our clinic, a free brief exam is indicated prior to boarding. Any medical problem(s) revealed, will be treated and charged. If the boarder wasn't been seen by a doctor within the last six (6) months, a brief exam (\$30) will be charged. Any medical problem(s) revealed, will be treated and charged
- I agree to make full payment at the time of discharge. I certify that my pet(s) appears to be free of contagious disease and has not bitten anyone in the past ten (10) days. I accept that if I fail to pick up my pet(s) within ten (10) of notification at the address I filled out, it will be considered abandoned and will be handled in accordance with state law and that doing so does not relieve me of my financial obligations
