Job Opportunities

Veterinary Technician

Job Description:

We are currently seeking an experienced, self-motivated Veterinary Technician for our animal hospital. Veterinary Technicians must be hard working individuals who can assist in surgery, provide emergency care, direct the kennel staff, treat animals, assist at front desk and perform routine procedures.

Job Requirements:

Evening, weekend and holiday hours required but shared by several Technicians.

3+ years in Veterinary Technician role required. College degree preferred. Also, completion of accredited Veterinary Technician program (not exclusively on-line) preferred but will consider experience in lieu of program.

Veterinary Kennel Assistant

Job Description:

Veterinary Kennel Staff needed. This position requires hands-on work with the animals in the hospital as well as those boarding. The work includes, but is not limited to: walking the dogs, feeding the animals, assisting the technicians, keeping the crates clean, and general hospital cleaning.

The ideal candidate is someone who is actively pursuing a career in the veterinary field such as a veterinary technician and looking for an entry level into this field.

Job Requirements:

Nights, weekends and holidays required. Full or Part-time schedules available.

Benefits:

Health and dental insurance, vacation, retirement plan and employee discount.

How to Apply:

Send cover letter and resume to: Jobs@FremontAnimalHospital.com
