Puppies and Kittens

When to Start: As young as 6 weeks old

How Often: Boosters every 3 weeks (14-28 days apart)

Why deworm at every visit: The deworming follows
the growth of the most common intestinal worms as
they progress from stage to stage (every 2-3 weeks)

FIRST VISIT (all puppies/kitten must be examined on their 1st visit)
Puppy or Kitten \$100 (exam, fecal, vaccine(s), liquid dewormer)

BOOSTER VISIT(s) (super saver options available for booster/final)
Puppy or Kitten \$55 (brief exam, vaccine(s), liquid dewormer)

FINAL VISIT (can do spay or neuter with this visit) 15 wks +
Puppy or Kitten \$75 (brief exam, vaccine(s), fecal, dewormer, tag)

19448 EAST COLONIAL DRIVE, ORLANDO FL 32820
